

Connect evening

**THURSDAY 21ST
JUNE
5.30-6.30pm**

Dear parent/ carer,

Re: Parental engagement – Connect evening

Parental engagement is key to successful student outcomes. Here at The King's, we believe that the connection between students, parents and teachers is critical. Students are far more likely to have a positive experience of school and more successful outcomes when parents play an active role in their learning.

As such, **we would like to invite all year 7 parents to a CONNECT evening on June 21st** where we will give you practical tips and helpful advice on how to support your child's learning at home.

There will be 5 sessions which will 10 minutes in length, they include:

- Handwriting aerobics – Miss Williams
- Maths fest – Mr Howarth
- Homework survival guide – Mr Worthington
- Reading rockets – Mrs Nevard
- Spring clean – work presentation - Miss Stanyer

Afterwards, there will be time for you to meet with staff and discuss how we can further support your child's learning outside of the classroom.

We look forward to seeing you.

Yours faithfully,

Mr M Worthington

Deputy Head of the Science Faculty
