

16th November 2015

Dear Parent/Carer

Appointment of Headteacher

I am delighted to inform you that, on Friday 13th November 2015, following competitive interviews, the Governing Body appointed Mrs Emily Verow as the permanent Headteacher of the King's Church of England (Voluntary Aided) School.

Mrs Verow takes up her role as Headteacher with immediate effect, and is ably supported by a strong leadership team who have also been confirmed in their positions.

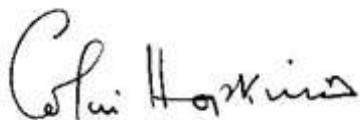

During the interview process, both the staff and the students were an absolute credit to themselves and to the school. We were very touched by comments from the Student Council that a real sense of community has been fostered within school over the last few months.

We can now all look to the future with renewed confidence. The Governors remain committed to achieving the best possible outcomes and experience for the students. With the new buildings in prospect, and with excellent leadership in place, we believe that a great future is ahead for the School and our community.

Thank you for your continuing support for the King's School. Building and renewing a strong partnership with parents will be an important element of future success.

All good wishes.

Yours sincerely

Colin Hopkins
Chair of Governors
