Dear Parent/Carer

I would like to invite you to our Options Choice Evening on Tuesday 7th February at 6pm in the main hall. The format for the evening will be a presentation about the curriculum and the choices available in years 10 and 11, followed by the opportunity to meet senior staff and discuss option choices.

Making option choices in year 9 is a very important process as your son/daughter will be choosing subjects which will have a significant impact on their future career. It is crucial that your son/daughter makes the right choices for the right reasons.

The way success is measured nationally has seen some changes in recent years and we need to take account of this. As a result of these changes, some particular combinations of subjects are especially important to some groups of students. To reflect this, all students will be placed in one of three "Learning Pathways". This means they will follow courses that are most likely to lead to their examination success. It will also mean that they achieve the right balance of qualifications which will prepare them well for their next steps towards future career paths.

We look forward to seeing you on the evening and would be grateful if you would sign the reply slip below and return it to the main office.

Yours faithfully,

Mrs L Toach
Deputy Headteacher
