Dear Parent/Carer

Re: Introduction of ParentPay

I am pleased to announce that we will shortly be introducing ParentPay. This is a system which will allow you to pay directly for school meals and educational visits either online (using credit or debit cards) or by using a PayPoint card. You will also have secure access to your own online account which will hold a record of all payments made.

Our current plan is to introduce this system on Monday 6th June and we will be sending out further information in a few weeks.

Yours sincerely

Emily Verow
Headteacher
